*Contact your sales person for accurate pricing. † Color variation between orders is normal and not cause for rejection. ‡ Weathering and appearance variation, including color, sheen, and spangle is common in non-painted materials and is not a cause for rejection. For consistent appearance, choose a paint-finished product.

All colors meet ENERGY STAR® requirements for steep slope roofs.

Colors on this chart are close representations of actual metal color, limited by printing and viewing conditions. Color matching is optimized for outdoor viewing.
